Dear Parent/Carer,

Welcome to the **Beverley High PE School uniform** brochure. All students are required to wear Beverley High School PE kit to develop a sense of pride and professionalism. The kit is designed to help students feel confident when taking part in PE and builds a sense of community. The PE kit lowers the risk of injury and enables students to participate freely without restriction.

We expect students to wear the Trutex polo shirt bearing the school logo with plain navy or black shorts. The shorts should not have logos and the style needs to be suitable for gymnastics and dance. Trainers are essential, no canvas shoes or pumps and the footwear needs to be different to the student's school shoes.

Other recommended items are Trutex navy skort and leggings/track pants. These items are specifically designed for PE; therefore, we cannot accept other brands. Students can also wear the Trutex mid layer top with school emblem; alternatively, a plain black or navy sweatshirt.

TRUTEX DIRECT

Our school sportswear uniform brochure has been provided by Trutex, who are the school's sportswear supplier and have committed to stocking our approved sportswear items.

TRUTEX BLAZERS, TROUSERS AND SKIRTS USE 100% RECYCLED POLYESTER SAVING PLASTIC BOTTLES FROM LANDFILL

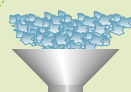

OUR MISSION

Our mission to help protect the environment extends to the schoolwear we sustainably manufacture.

MADE TO LAST

Every garment we make is tailored to be durable and maintain the highest standard of quality wash after wash. To be worn & worn and then passed on to the next generation. A simple approach to sustainability.

The flakes go through de-polymerisation and re-polymerisation processes

These are melted and extruded to make yarn

RE-VIVE RECYCLED POLYESTER

To reduce our requirement on virgin fibres and their environmental impact, Trutex has developed a range of 100% recycled polyester fabrics that are used in the production of our blazers, trousers and skirts. These innovative fabrics are made from certified 100% recycled post-consumer polyester yarns and provide a sustainable range of uniform.

The fabric for each blazer uses 46 plastic bottles in its manufacture, whilst 19 bottles are used in trousers and skirts meaning we save over 16 million plastic bottles from landfill every year.
